

Dear McNeese State Presidential Search Committee,

I am interested in exploring the opportunity of serving as President of McNeese State, and would be pleased to be considered for the position and meet with you.

I am a long-serving university administrator who resides in New Orleans and has extensive experience with the higher educational landscape in Louisiana, which includes serving for five years as a very successful and highly regarded Provost and Vice President for Academic Affairs at Loyola University New Orleans. Before that time I served as a dean at both Rutgers University and Gonzaga University. Since my tenure as Provost at Loyola I have served at multiple institutions in interim capacities through the prestigious Registry for Interim Placements, which has given me considerable experience as an administrator at both public and private universities, including in Alabama and Florida. I have had extensive experience with regional accreditation, which includes supervising a successful SACSCOC reaccreditation at Loyola, and I have spearheaded the creation of many innovative academic programs, and have extensive budgetary experience. I also have had very successful and enriching experiences with Boards of Trustees at both public and private universities.

I am a former tenured professor of English with an international reputation as an interdisciplinary scholar. As Provost, Vice Provost, Dean, and Chair I have supervised virtually every program offered by McNeese State. I also have worked as an upper-level administrator in several State university systems, including in Florida and Missouri. As well, I have been intimately involved in fundraising, which includes several capital campaigns.

I would be very pleased to be considered for the Presidency of McNeese State, and would welcome a conversation.

All my best,

Marc Manganaro

MARC MANGANARO
